Inspection Report

- A copy of the detailed log of inspection activities during the month of September 2026 is on file.
- J. Rickert reported riser rings were ordered and charge to TSD#3 as a previous order was charged to TSD#1.
- He also reported TSD#3 contracted individual to uncover buried manholes will also uncover on the manhole on County Road K west of US Hwy 151. It is buried and needs to be uncovered and repaired with a riser ring.
- He has not been contacted to inspect the repairs at Fisherman's Cove. P. Yohann will contact the owner informing him that J. Rickert is waiting to conduct the inspection. He indicated the area of the capping must be left open for inspection. If it has been filled in, it will have to be reopened.
- Both J. Rickert and M. Haensgen requested starting a search for an individual who could fill in when one of them is out of town.

Maintenance Report

- A copy of the detailed log of maintenance activities during the month of September 2026 is on file.
- M. Haensgen reported an issue at the Brookhaven Lift Station and discovered a very small breaker was tripped. The station was in working order once the breaker was reset.

Administrative Clerk's Report

- A copy of the detailed log of the administrative clerk's activities during the month of September 2026 is on file.
- P. Yohann reported posting the legal notice of the Amendment of The Sewer Use Ordinance, discussed replacing the current printer, and either changing the internet and phone or keeping it as is. The Commissioners decided the District will pay for internet and phone.
- M. Nett stated a newsletter will be sent with the upcoming quarterly statements relaying information regarding the upcoming increase in treatment costs, alerting customers about the available drop-box, and available openings for individuals joining the Board or inspection and maintenance positions.
