Ordinance Enforcement:

Certified Survey Maps:

1. Whitby: Dividing the existing lot. According to the town's ordinance amendment, if the lot was divided both lots would not follow the current towns ordinance. There was discussion on the town's website about how the ordinances and the amendments are listed. Clerk Marcoe informed the board and audience members the town's attorney has been working on updating and will reach out and ask the status. Whitby was in attendance and informed the board he does not want any action taken on his survey map as he just wants clarification of what is allowed. He is currently working on an estate plan and has some time to resolve this. The board will research and make sure to inform Whitby so he may complete his estate planning.

Public Comments:

Town residents inquired about the Mt. Calvary Ambulance status. Chairman Steffes shared the Mt. Calvary Ambulance board emailed us on August 31st stating they are working on contracts and will send them out as soon as they are ready. We received the contract along with another update to their P&L and Balance Sheet this afternoon at 4:00 p.m. We could not put it on our agenda as we need to be in compliance with posting regulation deadlines. We will address this during our October 14, 2026, meeting.
